

April 19, 2014 Assessors Completing Revaluation

Commencing this spring and through the summer, our assessor team of Dennis Feit & Lisa Meyer will be completing a property revaluation. This will require on-site inspection and measuring of all buildings on your property. If you have any reservations or objections, please contact the assessors at (715) 235-1338 at your earliest convenience. Due to this revaluation, 2014 open book will not be held until late summer or early fall tentatively on a Saturday in September.
