## Driveway Specification Fact Sheet

You have been issued a **Driveway Inspection Permit**. The fee is **\$100.00**, which will be used to fund the inspection of your driveway. Mail your completed permit application, plot plan and fee to **Corinne Slabaugh, Town of Casey Clerk, 7920 County Hwy E, Spooner, WI 54801**.

Driveway Inspection Permits will be issued when:

- A new driveway is constructed
- A new dwelling is constructed
- An addition to a dwelling
- An accessory building is constructed, including attached and detached garages
- An existing driveway has been determined by the Casey Town Board, or its agents, non-conforming to specifications in Section VI of the Town of Casey Driveway and Access Permit Ordinance.

**In order to comply with the current driveway ordinance, your driveway should meet the following specifications:**

- Width - at least 12 feet
- Clearance - a clear space of thirteen feet high and twenty feet wide maintained at all times
- Driveways longer than 150 feet must provide an adequate turnaround within 100 feet of the principal structure that will accommodate a 30 feet long fire truck. Refer to the diagrams below for driveway and turnaround dimensions.
